

Phuket Hash House Harriers Annual General Pissup 26 July 2018

Well it was time for us to bid adieu to our outgoing GM Who the Fuck is Alice and what a fun years it's been. As expected the usual amount of balloon chasers and free loaders turned up to consume our hard earned beer- some hadn't been on the hash for ages, others had NEVER hashed. Maybe in future we should hold the AGPU in a field far from any civilization so only those who participate reap the benefits. We know who you are (or in a lot of cases we DON'T know who you are so WTF were you doing there?).

Our GM read out his thanks to the circle in French, followed by a rambling rendition of the same speech in English- due to the obvious mirth of Tootsie and Mannequin Pis behind him it was pretty clear they had 'assisted' with the translation. WTFIA finally cottoned on to this and iced the pair of them.

On to the important business of the day- the old Committee, Hares, Stewards, Stand –in GMs and Hash Shits were thanked and it was onto the crucial votes: Some positions had more nominees than others but we got there in the end. The results are as follows (I think)

Grand Master 2018-19: Jaws

Joint Masters: Lesser Dipshit, Buttplug

Religious Advisor: Who the Fuck is Alice

Hash Cash: GoGo Trump

Impedimenta: Scrubber

On Site Registrars: Invisible Man, Gorgeous (this one took a bit of time so well done for stepping up to the plate)

Bus Registrars: Patong: Billy No Mates Kamala: Mind the Gap and Soi Dog

Scribe and Hash Quack: No Hope (to be assisted by Tight Fit and others)

Steward Chaser: The Blue Harlot

Hash Flash: Google Arse, Ya Ba, Tequila Slapper

Public Relations Cobbler and Lucky Lek

Runmasters: Secret Agent Dick Gobbler and Not Long Enough

Webmaster: Tootsie

On Sec (what exactly is this anymore?): Repressed One

Paper Master: Copper San

Mannequin Pis is taking a well-earned break after assisting the GM throughout the year but I'm sure he will be back in the future.

Jaws took control of the circle, the merriment continued and we managed to drink the beer truck dry but it took us a little bit longer than last year. Hopefully Assterix's taxi turned up to get him safely home.

On On for another year and lets keep our business in the circle, not on the Internet!
